Vocational and recreational dance

In-person activity

About

Katz School of Dance offers both Vocational and recreational options for dance although we STRONGLY recommend that we instill a good discipline from an early age to keep the child consistently proactive towards dance. Our Program consists of internationally recognised syllabi namely RAD ballet, AIDT Modern, Hip Hop and Tap and ISTD Modern, Ballet and Tap as well as Alianza Flamenco giving the budding young dancer a broader spectrum and a well-rounded dance education allowing them to eventually attain their dance teaching qualifications as well becoming a professional dancer with recognized accreditation.

Children are then required to attend a minimum of 2 lessons a week in order to achieve a high standard. We have recently introduced Contemporary, Gymnastics, Break Dancing and Latin and Ballroom to our Kids Curriculum. These are not examinable subjects but work beautifully in hand with all the above genres. We take part in major eisteddfods, competitions, auditions and concerts where applicable and provided the child is up to standard- this not only teaches them confidence required to perform but allows them to gain experience and get the sense of healthy competitions to improve their skills. Please see below most applicable genres for your children's age group:

- Ballet
- Modern
- Hip Hop
- Tap
- Gymnastics
- Break Dancing
- Latin
- Ballroom
