Pirates Junior Hockey Club

Ages 5 - 18+

Build camaraderie and team play; working on vital skills like communication, teamwork and dedication to the team.

About

Pirates hockey caters to players of all skill levels with our main aim being to create in our young players a love of the game. Our practices focus on core skills that can be applied in the match situation. Our dedicated coaches build camaraderie and team play; working on vital skills like communication, teamwork and dedication to the team. We cater to children aged 5 to 16 (with our senior club taking on those aged 17 and over). Our passionate coaching staff focus on each individual player to bring our their best in practice and game situations.

Learner responsibilities

Please note that commitment is very important to us and thus once you have said that your child is playing in a match there can be no last-minute pullouts (unless for a good reason). This alleviates the stress of not fielding a team and having to find kids to help with a match.

Programme requirements

All players must have a stick, shin pads, gum guard and the required kit.
