Upside-Down Tomato Challenge

Compete with other learners to grow the biggest, healthiest upside-down tomato plant

About

We're super excited to invite you and your child to participate in the CHAELI UPSIDEDOWN TOMATO CHALLENGE — an exciting 8-week growing journey kicking off this

October (Term 4)!

HOW IT WORKS

Each learner will receive everything they need to grow their very own upside-down tomato plant at home: a Cangro upside down planter, a tomato seedling, nutrient-rich soil mix, a face sticker sheet and instructions - making learning fun and easy!

The learner who grows the biggest, healthiest, most vibrant upside-down tomato plant after 8 weeks will win a PlayStation 5, generously sponsored by KOODOO!

The cost of R450 per learner covers the full two-month experience and includes:

- Delivery of the Cangro grow kit directly to your home
- Entry into the competition
- Continuous online support
- Access to weekly lesson plans and fun experiments
- A certificate of completion at the end

**Special offer for Teneo learners: Learners from Teneo Online Schools will receive a 5% discount. At the top of the registration form, there is a "Teneo" checkbox option; learners can tick that box, and the 5% discount will be applied automatically at checkout.*

WHY GET INVOLVED?

This challenge goes far beyond growing tomatoes or winning exciting prizes — it's about nurturing responsibility, perseverance, creativity and a genuine love for nature and learning. By joining in, you become part of an inspiring partnership with The Chaeli Campaign, celebrating inclusion and empowering every learner.

WANT TO MAKE A GREATER IMPACT?

Sponsor a disabled or disadvantaged learner's entry into the challenge, opening the door to this enriching experience for children who need it most.

Together, let's grow confidence, kindness, and curiosity... one upside-down tomato at a time!

Click the link below to register your child or become a sponsor. For any questions, feel free to reach out or visit our website.
