

MATRIC
SPRING SCHOOL
2020

28 SEPTEMBER – 16 OCTOBER 2020
PREPARE FOR YOUR MATRIC FINALS

TENEO

SA's No.1 School in the Cloud

MAKE THE SMART CHOICE

Teneo School's qualified teachers are experts in using digital technology to bring subject matter to life. Using our worldclass learning management system, live classes and quality content, our goal is to close any knowledge gaps and support preparations for the end-of-year Matric final examinations while building student confidence.

WHO CAN ENROL

This course is open to Matrics enrolled at any school around the country and is designed as intensive examination preparation and as such is a supplementary programme.
