

2021
TENEO SCHOOL
ADULT MATRIC
SA (NSC) CURRICULUM

DIGITAL HOMESCHOOLING

Teneo School's qualified teachers are passionate about using digital technology to empower every student's learning journey.

Teneo offers timetabled LIVE classes delivering structured, quality education through our cutting-edge learning management system.

All classes are pre-recorded, and enrolled students have access to ANY learning material, ANY time they would like.

WHY TENEO SCHOOL?

- Pupils can study in a peaceful, quality environment of their choice.
- Pupils are free from distractions.
- Students have access to ALL learning material, ALL the time.
- Interact with qualified subject teachers via Canvas Inbox.
- Access to one-on-one tutor sessions: 5 sessions per term (Total of 20 sessions per year).
- Online self-study material.
- Recorded Classes - lessons are recorded and available to view anytime.
- Collaborative project work with fellow students.
- Ongoing assessment, tests and exams measuring progress.
- All teaching, homework, exams, assessments, projects, etc. are done in our Teneo learning management system.

SUBJECTS AVAILABLE:

English - Home Language AND Afrikaans FAL

OR

Afrikaans- Home Language AND English FAL

Subjects from the following are available in English and Afrikaans.

Student must select all subject choices in **only one chosen language** medium.

Mathematics or Mathematical Literacy

Tourism*

CAT*

History

Geography

Life Science

Accounting

Economics

Business Studies

Life Orientation

*Subjects marked with an asterisk involve submitting a Practical Assessment Task (PAT). These task are compulsory.

PLEASE NOTE: It compulsory for students completing a Full Matric to take a Home Language, FAL, Mathematics or Mathematical Literacy and Life Orientation. They can then choose 3 additional subjects.

HOW WILL IT WORK?

Adult Matric is a specialised **fast-tracked** Teneo two-year programme. Students complete Grade 10 and Grade 11 in the first year, and complete Grade 12 in the second.

Content is designed to be completely asynchronous, meaning students are able to **have access to ALL of the teaching content, ALL of the time.**

- You will have access to **all daily recorded lessons.**
- You can **communicate directly with your dedicated subject teacher** via the Canvas Inbox
- You will have access to **MORE content** than ever before. Students are able to access ALL teaching content produced for that week, ALL the time.
- You will receive **5 one-on-one tutor sessions** per term (a total of 20 sessions per year)

FEES

There are three ways to pay:

Teneo School Fee Structure (2021)

Total fees for 2021 will be R23 940 per annum. These are payable monthly/termly/annually.

Annual payment: Receives a 7% settlement discount upon payment before December 2020 OR student can choose FREE access to either Xtra Maths or Coding Kidz for 1 year.

Termly payment: **R5 985 per term** payable in advance of the term. Student also receives free access to Xtra Maths for that term.

Monthly payment: **12 x R1995 monthly installments** – paid in advance of each month. One month's notice is required should you wish to discontinue with Teneo.

** PLEASE NOTE: One month's notice is required should you decide to leave Teneo at any time during enrolment. **

Fees (2020)

Total fees for the year are R22 200. These are payable monthly/termly/annually.

Annual payment: **R22 200 per year** – paid in advance. Get 4 FREE terms of Xtra Maths access.

Termly payment: **R5 550 per term** – paid in advance. Get 1 FREE term of Xtra Maths access.

Monthly payment: **R1 850 monthly** – paid in advance of each month. One month's notice is required should you wish to discontinue with Teneo.

**PLEASE NOTE: Fees exclude textbooks, SACAI registration and exam centre fees.

REQUIREMENTS FOR SET UP

ALL YOU NEED IS:

- A laptop or desktop computer with 1.6 Ghz + processor, 4 gigs (RAM) PLUS a webcam & microphone.
- Internet connection - 10 mbps+ download speed & 2mbps upload speed.
- 50 gigs of WIFI per student per month. Advanced LTE is available from most service providers.
- Latest version of Google Chrome
- Printer & Scanner / Back-up source is recommended. These are available for smartphones & tablets. You need one that can create multi-page docs from multiple scanned pages.
- Teneo will supply Office 365 (excl. CAT and IT students).

TEXTBOOKS

We make it as easy as possible to access each grades set list of textbooks. There is a link on www.teneoschool.co.za that will take you to the ITSI store where all our textbooks in e-Book form can be found.

Textbooks can be purchased in eBook form on the ITSI website (Windows 10, MacOS, IOS or Android Device required) or as hard copies from any school supplier.

*eBooks purchased through our ITSI store cannot be printed. (Approx. budget for all books per year - R900 - R1000 p.a)

MATRIC FINALS

Students are registered as 'home schooled' with SACAI as Teneo School is regarded as a Distance Learning Institution. All exams including Matric Trials will be written through Teneo. The NSC (National Senior Certificate) Final Grade 12 exams are completed under the auspices of SACAI, an organisation accredited to by The Department of Basic Education, and Umalusi. This enables you to study further through a tertiary institute should you achieve the required marks for a University Pass.
