South African University Requirements

BACHELOR'S PASS

AS ABOVE (2 LANGUAGES)

Teaching and Learning:

Knowledge based with some application. Directed. (Teneo takes the application independent work further than most DBE schools.)

Teaching and Learning:

Knowledge plus application and critical thinking encouraged. Independent work and Research and reflection integral part of the learning process and school-based assessment.

Teaching and Learning:

Guided learning. Independent and self-study not negotiable. Course assessment not prescribed as NSC, (no formal SBA). Regular assessments mimicking final external assessments in form and level.

Exams:

Exams structured predictably with the minimum range of required application questions.

Exams:

Exams use maximum ranges of required application and integration. Unpredictable ways of questioning.

Exams:

International External Exams. Structured predictably, unseen content may be included for application and analysis testing, mainly higher order thinking, no marks for process unless answers correct.
