# XTRA MATHS

**TENEO'S AFTER SCHOOL  
PROGRAMME**

**GR.7-12**

**TENEO**

Africa's No. 1 School in the Cloud

## LEADING THE WAY

Access Teneo's specialist Xtra Maths programme from anywhere in SA and get the mathematics support you need. We are passionate about using digital technology to enhance the learning journey. Our aim being to build confidence and encourage a deeper understanding of higher-order mathematic concepts.

Cutting-edge, our curriculum is especially designed to encourage peer-to-peer learning using a unique combination of recorded video lessons, a teacher-supervised chat box for questions and discussion, as well as LIVE tutor classes.

### **Why this approach?**

Research shows that learning in groups has better outcomes compared to one-on-one interactions.

## THE DETAILS

- Maths Core and Maths Literature supplementary support
- Available in English or Afrikaans
- Grades 7 to 12
- Suitable for IEB & CAPS learners

## PRICE

TERMLY: **R1800 per term** - paid in advance.

## OUR UNIQUE PROGRAMME

Our unique combination of technology and teachers includes:

- Interactive Video where students follow video content and engage with teachers and fellow students in a chat box
- Supported by LIVE online tutor sessions
- Math subject specialists
- All classes are recorded for later replay
- Quizzes for practice and assessing progress
