Culinary Kids

Ages 3 - 11

An introduction to the **culinary world.**

Description

Culinary Kids, a sister company to ActionBall SA, strives to encourage children to expand their food horizons by educating and introducing them to food and the many processes involved therewith. Culinary Kids is an introduction to the culinary world and we do not take heat to the classroom. This fun filled learning process entails teaching each prospective Culinary Kid:

- the basics (the source of milk and eggs)
- the food groups (dairy, fruit and vegetables, proteins, carbohydrates & grain/cereal foods)
- making healthy choices
- independence
- safety in the kitchen
- how to follow a recipe
- decorating, desserts, baking techniques
- how to design and create their very own meals and culinary delights (which involves using cognitive skills as well as gross and fine motor skills)

Culinary Kids was designed with children and their fussy eating habits in mind. A striking feature of the 21st century is a lack of food knowledge and lack of food exposure in the younger generation as well as one dimensional eating habits.

This programme aims not only to enrich each child's food knowledge but also encourages the tasting of new foods, experiencing of new textures and making food a new adventure.

Duration

One 40-minute virtual lesson per week for the academic year.

Cost

R225.00 per child per month, as well as a once-off and compulsory registration fee of R200.00.

- Lessons themed according to each month eg. Mother's Day, Halloween, Healthy eating habits, Proudly South African and more
- Lessons which involve educational elements and allow each child to create their own culinary masterpiece as per the weekly theme and recipe/s
- The R200.00 compulsory registration fee shall entitle each child to a Culinary Kids apron and a Culinary Kids container (to take home each week's innovative culinary creation).

Please note: The monthly fee/s and compulsory registration fee DO NOT include delivery charges, which amount to an additional R100.00 within South Africa. To ensure delivery, it is essential to provide a physical address.
